*Unless otherwise indicated, all defined terms have the same meaning as in the Amended Defence filed by the Cross-Claimant and Respondent dated 17 July 2020.*

1. By a Second Further Amended Statement of Claim dated 18 June 2020 (**2FASOC**), the Applicant and First Respondent by Cross-Claim (**Mutch**) claims against the Respondent and Cross-Claimant (**ISGM**) that:
  - (a) Mutch, and each person within the group as described in paragraph 1A of the 2FASOC (collectively, the **Technicians**), was an employee of ISGM and entitled to be remunerated, and to receive other benefits and entitlements (including annual leave, personal leave and various allowances under the *Telecommunications Services Award 2010*);
  - (b) Mutch and the other Technicians are entitled to be paid compensation by ISGM under s 545(1) of the *Fair Work Act 2009* (Cth) (**Fair Work Act**), including an amount to put Mutch and each Technician in the position he would have been in, had he been treated as an employee;
  - (c) ISGM is liable to pay to Mutch a pecuniary penalty under s 546 of the Fair Work Act; and
  - (d) (in the alternative), if Mutch and the Technicians were each an independent contractor and not an employee (as is Mutch's primary case) that the 2013 Tickets of Work Agreement, October 2015 Tickets of Work Agreement and November 2016 Agreement (as those terms are defined in the 2FASOC) were unfair or harsh within the meaning of s 12 of the *Independent Contractors' Act 2006* (Cth) (**IC Act**), and should be varied under s 16 of that Act such that Mutch be paid an amount to put him in the position he would have been in had he been an employee of ISGM.

### **Particulars**

The 2FASOC is in writing and a copy of it will be served on the Second Respondent by Cross-Claim with this Cross-Claim.

2. By its Amended Defence (which ISGM relies upon), ISGM denies Mutch's claims and says instead that:
  - (a) ISGM entered into Standard Agreements with incorporated entities for the provision of I&M Services; and
  - (b) one of those entities was the Second Respondent by Cross-Claim (**MBC**).

### Particulars

ISGM's Amended Defence is in writing and a copy of it will be served on MBC with this Cross-Claim.

3. If, contrary to ISGM's Amended Defence:
- (a) any of the Technicians listed in the third column of Schedule B to this Cross-Claim (**Sole Technicians**) was an employee of ISGM; or
  - (b) any of the Sole Technicians personally had a contractual relationship with ISGM pursuant to which he/she was an independent contractor; and
  - (c) ISGM is liable to pay any amount to any Sole Technician,

ISGM makes the allegations in paragraphs 4 to 36 below against any such Sole Technician and their associated Sole Technician Corporate Entity (as that term is defined below), in respect of dealings purportedly between ISGM and that associated entity (and where a Sole Technician has more than one associated Sole Technician Corporate Entity, the allegations are brought in respect of the respective dealings between ISGM and each of those entities respectively).

4. ISGM is and at all times during which ISGM purportedly dealt with the relevant Sole Technician Corporate Entity associated with the Sole Technician (hereafter referred to **at all material times**) was:
- (a) a corporation;
  - (b) able to sue and be sued; and
  - (c) a body corporate whose principal place of business is in Victoria.
5. Each Sole Technician:
- (a) is a natural person;
  - (b) is able to sue and be sued;
  - (c) is a person within the group as described in paragraph 1A of the 2FASOC;
  - (d) was, at all material times, the sole director or a director of one or more corporate entities listed in the first column of Schedule B of each row relating to that Sole Technician (and references below to an 'associated' corporate entity, or 'associated' technician respectively, are a reference to this association);
  - (e) at all material times, controlled their associated corporate entity;

(f) (in some instances) was the sole shareholder and/or held the sole beneficial interest in their associated corporate entity.

6. Each of the corporate entities listed in the first column of Schedule B (**Sole Technician Corporate Entities**):

- (a) was at all relevant times during its dealings with ISGM, a corporation duly incorporated; and
- (b) is able (subject to reinstatement, if required) to sue and be sued.

To the extent that it is necessary to have any Sole Technician Corporate Entity reinstated, the Cross-Claimant will apply to the Court to have it reinstated pursuant to s 601AH of the *Corporations Act 2001* (Cth).

7. In the period from 2011 onwards, ISGM entered into agreements:

  - (a) that Sole Technician breached the Incorporation Warranty; and
  - (b) by reason of such contravention, ISGM suffered loss and damage.

#### **Particulars**

Had the Incorporation Warranty been correct, ISGM would not have had any liability to the Sole Technician of the kind alleged by Mutch.

#### ***Rescission of the Tickets of Work Agreements***

15. ISGM entered into Tickets of Work Agreements on the basis that, in respect of the Sole Technician Corporate Entity named as the counterparty to the agreement:
  - (a) ISGM had a contract with the named Sole Technician Corporate Entity;
  - (b) the Sole Technician Corporate Entity was to provide the I&M Services pursuant to the agreement;
  - (c) in physically performing I&M Services, the associated Sole Technician of the Sole Technician Corporate Entity would do so as the representative of the Sole Technician Corporate Entity; and
  - (d) ISGM did not have a contractual relationship with the above associated Sole Technician personally, whether as an employee, independent contractor or otherwise.
16. Each Sole Technician Corporate Entity entered into Tickets of Work Agreements to which it was named as a party on the basis of the matters set out in paragraph 15 herein.
17. Alternatively to paragraph 16 herein, if (which is denied), any Sole Technician was party to any Tickets of Work Agreement which named its associated Sole Technician

Corporate Entity as party, that Sole Technician entered into that agreement on the basis of the matters set out in paragraph 15 herein.

18. ISGM made the Payments and the GST Payments to each Sole Technician Corporate Entity on the basis that, in respect of that Sole Technician Corporate Entity:

  - (b) the I&M Services were being provided to ISGM by the Sole Technician Corporate Entity;
  - (c) the I&M Services were not being provided to ISGM by the associated Sole Technician personally, whether as an employee, independent contractor or otherwise;
  - (d) ISGM was contractually obliged to make the Payments and the GST Payments to the Sole Technician Corporate Entity;
  - (e) ISGM did not have a contractual relationship with the associated Sole Technician personally; and
  - (f) in physically performing the I&M Services, the associated Sole Technician was doing so as the representative of the Sole Technician Corporate Entity.
  
19. If (which is denied) the matters set out in paragraph 3 herein apply to any Sole Technician, then:
  - (a) one or more of the matters set out in paragraph 15 herein was wrong in respect of that Sole Technician and their associated Sole Technician Corporate Entity;
  - (b) one or more of the matters set out in paragraph 18 herein was wrong in respect of that Sole Technician and their associated Sole Technician Corporate Entity;
  - (c) by reason of the matters set out in paragraphs 15-17 herein, ISGM, the Sole Technician and/or the associated Sole Technician Corporate Entity entered into relevant Tickets of Work Agreement(s) under a common mistake of material fact, further or alternatively a common mistake of law;
  - (d) by reason of the matters set out in subparagraph (c) herein, each Tickets of Work Agreement relating to the Sole Technician should be set aside as void in equity;

- (e) the Sole Technician Corporate Entity received the Payments and GST Payments on behalf of the Sole Technician, or at the direction of the Sole Technician; and
- (f) in the premises, the Sole Technician, further or alternatively the associated Sole Technician Corporate Entity, is liable in equity to restore the Payments and GST Payments made to the associated Sole Technician Corporate Entity following the rescission of the relevant Ticket of Work Agreement(s).

***Restitution for mistaken payment or total failure of consideration***

- 20. If (which is denied) the matters set out in paragraph 3 herein apply to any Sole Technician, then by reason of the matters set out in paragraphs 18 and 19(b) herein, ISGM made the Payments and GST Payments:
  - (a) under a mistake of fact, further or alternatively, under a mistake of law; and/or
  - (b) for consideration that has wholly failed, where the associated Sole Technician Corporate Entity did not provide any service.
  
- 21. In the circumstances set out in paragraphs 19(e) and 20 herein, the Sole Technician, further or alternatively the associated Sole Technician Corporate Entity, has been unjustly enriched by:
  - (a) in the associated Sole Technician Corporate Entity's case, receiving the Payments and the GST Payments; and

    - (i) having been received on behalf of, or at the direction of, the Sole Technician;

- 22. In the premises, if (which is denied) the matters set out in paragraph 3 herein apply to any Sole Technician, ISGM is entitled to be repaid the amount of the Payments and the GST Payments received by the associated Sole Technician Corporate Entity from that entity, further or alternatively, from that Sole Technician.

***Misleading and deceptive conduct – the Incorporation Representation***

- 23. Under each of the Tickets of Work Agreements, the "CCT" or "Subcontractor" (as applicable) gave the Incorporation Warranty.

24. By giving, or offering to give, the Incorporation Warranty, the “CCT” or “Subcontractor” (as applicable) represented that at the date of the agreement it was, and at all times during the term of the agreement thereafter it would be, incorporated as a proprietary company (**Incorporation Representation**).
25. If (which is denied), ISGM entered into any Tickets of Work Agreement with any Sole Technician, then:
- (a) by giving, or offering to give, the Incorporation Warranty and thereby making the Incorporation Representation, the Sole Technician acted in trade or commerce for the purposes of s 18 of the Australian Consumer Law (Victoria) (**ACL Vic**) as applied by s 8 of the Australian Consumer Law and Fair Trading Act 2012 (Vic) (the **Fair Trading Act**);
  - (b) the Incorporation Representation was false (and insofar as it related to future matters, was made without reasonable grounds), in that the Sole Technician was a natural person and not a company;
  - (c) in the premises, the Sole Technician engaged in misleading or deceptive conduct or conduct which was likely to mislead or deceive, and thereby contravened s 18 of the ACL Vic.
26. If (which is denied) ISGM entered into any Tickets of Work Agreement with any Sole Technician, and if (which is denied) the matters set out in paragraph 3 herein apply to that Sole Technician, then:
- (a) ISGM has suffered loss or damage because of the contravention by that Sole Technician set out in paragraph 25(c) above; and

### **Particulars**

- (i) Had the contravention not occurred, ISGM would not (on the assumed premise) have entered into the relevant Ticket of Work Agreement(s) with the Sole Technician. ISGM accordingly would not have made the Payments or GST Payments to the associated Sole Technician Corporate Entity, and would not have incurred liabilities to the Sole Technician of the kind referred to in paragraph 3(c) above.
- (ii) Had the contravention not occurred, ISGM would have acquired services provided under the relevant Tickets of Work Agreement from a third party corporation. It would have made payments to that corporation of similar value to the Payments and GST

Payments in fact made, but would not have incurred any liabilities to a technician of the kind referred to in paragraph 3(c) above

- (b) ISGM is entitled to compensation from the Sole Technician under s 236 of the ACL Vic further or alternatively s 217 of the Fair Trading Act

***Misleading or deceptive conduct – general conduct***

- (b) the Sole Technician Corporate Entity was providing, and would continue to provide, I&M Services to ISGM as an independent contractor; and

- (v) each Sole Technician Corporate Entity did not, at any time prior to the filing of the Statement of Claim in the primary proceeding on 23 November 2018, advise ISGM that, despite purportedly entering into Tickets of Work Agreements with ISGM, the Sole Technician Corporate Entity was not in fact providing I&M Services to ISGM;
- (vi) any conduct engaged in by any associated Sole Technician on behalf of the Sole Technician Corporate Entity that caused or contributed to the representations pleaded in paragraph 27 herein is attributed to the Sole Technician Corporate Entity by virtue of ss 84(2) and/or 139B(2) of the Competition and Consumer Act 2010 (Cth) and/or s 196(2) of the Fair Trading Act.

(subparagraphs a, b and c together are referred to below as the **General Representations**).

28. Further or alternatively to paragraphs 27, the General Representations were made by each Sole Technician.

### **Particulars**

Each Sole Technician:

- (i) authorised and permitted the Tickets of Work Agreements, naming the associated Sole Technician Corporate Entity, to be executed by him/her on behalf of the Sole Technician Corporate Entity, and not by him/her personally;
  - (ii) agreed, purportedly on behalf of the associated Sole Technician Corporate Entity named in each Tickets of Work Agreement, that the associated Sole Technician Corporate Entity would provide services to ISGM as an independent contractor;
  - (iii) did not, at any time during the negotiation of, or at the time of executing, any Ticket of Work Agreement, further or alternatively any time thereafter, advise ISGM that he/she considered him/herself to be an employee of ISGM, or an independent contractor to ISGM in his/her personal capacity, and or to be providing I&M Services on that basis;
  - (iv) did not, at any time during which he/she was physically performing I&M Services, personally seek payment for those services, but rather authorised and permitted the associated Sole Technician Corporate Entity to receive Payments and GST Payments made to each the Sole Technician Corporate Entity, on behalf of the Sole Technician Corporate Entity, in the manner described in paragraphs 10-11 herein.
29. The General Representations were made by each Sole Technician Corporate Entity in trade or commerce for the purposes of s 18 of the *Australian Consumer Law* being Sch 2 to the *Competition and Consumer Act 2010 (Cth)* (**ACL Cth**) and s 18 of ACL Vic.
30. Further or alternatively, the General Representations were made by each Sole Technician in trade or commerce for the purposes of s 18 of the ACL Vic.

31. To the extent that the General Representations related to future matters, ISGM relies on s 4 of the ACL Cth and/or s 4 of the ACL Vic.
32. If Mutch succeeds in the claims he makes on behalf of any Sole Technician, then one or more of the General Representations was not true in respect of that Sole Technician and:
- (a) the Sole Technician Corporate Entity associated with such Sole Technician engaged in misleading or deceptive conduct or conduct which was likely to mislead or deceive, and thereby contravened s 18 of the ACL Cth and s 18 of the ACL Vic; further or alternatively
  - (b) each such Sole Technician engaged in misleading or deceptive conduct or conduct which was likely to mislead or deceive, and thereby contravened s 18 of the ACL Vic.
33. In the event that a Sole Technician Corporate Entity contravened:
- (a) s 18 of the ACL Cth, the Sole Technician associated with that Sole Technician Corporate Entity was a person involved in the contravention for the purposes of ss 2 and 236 of the ACL Cth;
  - (b) s 18 of the ACL Vic, the Sole Technician associated with that Sole Technician Corporate Entity:
    - (i) was a person involved in the contravention for the purposes of ss 2 and 236 of the ACL Vic;
    - (ii) is deemed by s 195 of the Fair Trading Act to have contravened the same provision on the basis that he/she knowingly authorised or permitted the contravention.

### **Particulars**

ISGM refers to and repeats paragraphs 5, 8 and 28 herein, and the particulars subjoined thereto.

34. In the event that a Sole Technician contravened s 18 of the ACL Vic, the Sole Technician Corporate Entity associated with that Sole Technician was a person involved in the contravention for the purposes of ss 2 and 236 of the ACL Vic, further or alternatively s 217 of the Fair Trading Act.
35. ISGM, in reliance on the General Representations, acted to its detriment by making the Payments and the GST Payments.

### Particulars

ISGM refers to and repeats paragraphs 10(c) and 11 hereof.

36. In the premises, if ISGM is ordered to pay any compensation to any Sole Technician, ISGM will have suffered loss or damage because of the contravening conduct of the Sole Technician, further or alternatively, the Sole Technician Corporate Entity associated with that Sole Technician, and is entitled to compensation against them (including on the basis that each was involved in any contravention by the other) under s 236 of the ACL Cth and the ACL Vic further or alternatively s 217 of the Fair Trading Act.

### Particulars

ISGM's loss or damage comprises the amount of the Payments and the GST Payments, or, if any compensation awarded to a Sole Technician is limited to the difference between the amounts he/she would have received as an employee (or as an independent contractor in his personal capacity) and the amounts paid to the Sole Technician Corporate Entity associated with that Sole Technician, ISGM's loss or damage will be limited to that difference, and (on either basis), its legal costs of the proceeding.
